

Fujitsu Service

Fujitsu has been making and servicing the world's most popular scanners for over 23 years. Our service offerings are designed to suit your business and budgetary needs. Based solely in the U.S., the friendly technical support center is staffed with engineers who will either resolve your technical issues immediately or expedite a Field Engineer to your site. We understand your needs and will help you maximize your scanning production.

U.S. Call Center

- 100% staffed in the United States
- Toll Free Support, 5 to 5 PST M-F, extended for 24/7
- Friendly and knowledgeable engineers
- Nationwide coverage, including Alaska and Hawaii
- Best-in-Class service ratings
- Customer satisfaction rate of 98%
- Contract Priority-Phone for low hold times

Service Benefits

- Fujitsu authorized technicians
- Improves uptime for scan quotas and deadlines
- Maintenance training for new employees
- Eliminates unbudgeted repairs
- Less expensive than time and materials
- Increases capital equipment longevity
- Serviced equipment scans more pages

Fujitsu Service Plans

Which Fujitsu Service Plan fits my needs?

Choose the right level of service based on your scanning needs. If you need more information, please call your Value Added Reseller or Fujitsu at (800) 626-4686, Option 1. We will help you choose the correct coverage today.
