

CHARITABLE GIVING

Thank you so much for thinking of Rags for your charitable event. We give preference to local initiatives including women's, health, and educational organizations.

We also give special priority to those who have reciprocal marketing in place. Depending on organization, this may take the form of an event ticket, marketing material collateral, and opportunity to merchandise a product, or a public service announcement (PSA).

In order to review your request, we ask that you fill out the form below — six weeks in advance from the date of your event — and email it to us at info@ragsconsignments.com. If you do not hear from us it means that we have given our time and resources to another worthy cause.

Thanks again and good luck with your event!
Margaret Miner, Owner
