

GRIPPS®

D25010 SCAFFOLDERS TAPE MEASURE

Introducing the Sterling Ultimax Pro Tape Measure: 8m Metric, a cutting-edge tool designed for precision and durability.

This tape measure boasts SuperBlade technology, ensuring an extended standout for effortless long-distance measurements. Its double-sided blade printing features clear metric millimeter markings, allowing for accurate readings. The high-impact resistant ABS casing, coupled with a non-slip grip, guarantees sturdy handling. Equipped with a strong end hook to maintain true zero, reinforced 4 rivet dual-hook with magnet, and a wide blade, this tape measure is engineered for reliability.
