

GRIPPS®

H01068 COIL TETHER SINGLE-ACTION - 1.0KG

Attaching easily to a tool belt, pouch, holster, or harness, the Coil Tether Single-Action is designed to remain unobtrusive when not in use. It extends effortlessly to its full length when the tool is being used, ensuring convenience and efficiency.

Lightweight single-action carabiners mounted on swivel heads prevent tangles and unnecessary tension while using your tool.

- Resistant to heat and sharp edges
- Extra-thick PU coating on the stainless steel coil
