WEBBING TOOL TETHER/ SHOULDER STRAP - 5KG/11LB

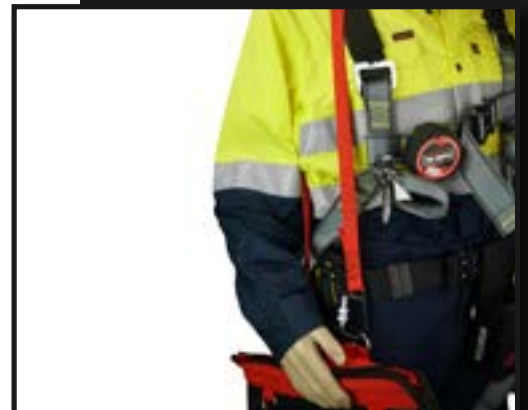

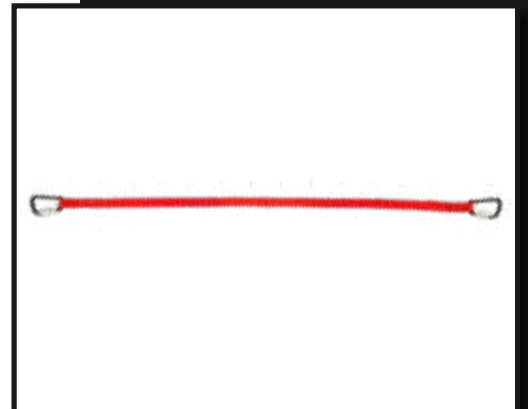

The GRIPPS® Webbing Tool Tether/Shoulder Strap is a fixed-length shoulder strap with screw lock carabiners. Featuring two carabiners on each end of the strap, this will add flexibility to the way you can carry small bags such as the GRIPPS® Lockjaw Riggers Bag.

Made from strong webbing material, the strap is a simple yet effective addition to your kit. Suitable for industrial workers across a wide array of industries. Featuring carabiners on either end of the strap for quick and convenient connection to your GRIPPS® bags.
