H01116 COMFORT WORK BELT WITH BACK SUPPORT

The GRIPPS® Comfort Work Belt With Back Support introduces a new level of wear-ability and safety to workers operating at height, alongside a swag of features. One of the lightest in its class, the Comfort Work Belt also packs 'Ergo-Motion' back support to provide ultimate comfort.

Compatible with all GRIPPS® holsters and pouches, the Comfort Work Belt allows full customisation of composition and layout so you can work the way you want to. The form-poly belt support has a heavy-duty Cordura structure, providing exceptional longevity.

- Allows for full customisation of holster & pouch layout
- One Size Fits All
