

GRIPPS®

H02032P BATTERY CATCH HOLSTER BELT RETRACTOR KIT

Protect your battery power tools against drops with this economical kit.

Compatible with all standard work belts, the retractable GRIPPS® Tool Grapple® connects to your battery tool via the easy-to-install GRIPPS® Battery Catch Holster. The Battery Catch Holster creates a load-rated tool connector point by securing around the battery of your power tool.

Place your power tool into the BOA Holster to keep it secure at all times when not in use.

For instructions on each component, please download and refer to a copy of GRIPPS Tool Tether User Guide available at gripps.com under Resources.
