H02078 RETRACTABLE DUAL TOOL HOLSTER MKII (KEVLAR RETRACTORS)

The GRIPPS® Retractable Dual Tool Holster MKII (Kevlar Retractors) is lightweight, rugged, and convenient. It features two storage pouches, is perfect for small hand tools and includes two GRIPPS® Kevlar Retractors with auto-lock functionality.

The Kevlar retractors allow for fast tool use and can be set into a lock position, preventing retraction. This function is excellent when you may require your tool out for extended periods.
