

MAX LOAD : 2.5KG / 5.0LBS

WEBBING WRIST TETHER SINGLE-ACTION

TOOL TETHER

CODE : H01067

Designed to be used with GRIPPS gloves and wristbands, the Webbing Wrist Tether Single-Action provides tactical usability to handheld tools.

Manufactured from an abrasion-resistant webbing, the hard-wearing Webbing Wrist Tether Single-Action is exceptionally light.

Versatile enough for use with all hand-tools, the Webbing Wrist Tether Single-Action provides 360-degree mobility with dual swivel-head carabiners, meaning no more tangles or unnecessary tension on the line when working with hand tools.
