

MAX LOAD : 7.0KG / 15LBS

BUNGEE TETHER TRIPLE-ACTION

TOOL TETHER

CODE : H01074

ANSI/ISEA 121-2018 COMPLIANT

Lightweight and built to last, the Bungee Tether Triple-Action is as reliable as it is functional.

One of our most popular pieces of kit across all industries, the Bungee Tether Triple-Action features a triple-action carabiner and elasticised webbing made from heavy-duty polyester.

The elastic properties of this durable material absorb downward force from a dropped tool, protecting the user while protecting against bounce-back.

An extension range of 42cm/16" means the Bungee Tether Triple-Action is as compact as possible until required for use.
