

#ConquerGravity

MAX LOAD : 30KG / 66LBS

ZIP-LOCK BAG

TRANSPORT & STORAGE

CODE : H01112

ANSI/ISEA 121-2018 COMPLIANT

Lightweight and built for strength, the Zip-Lock Bag combines multiple levels of functionality into an extremely affordable package.

Constructed from water & puncture resistant nylon, the Zip- Lock Bag features a heavy duty type-10 nylon zip to keep the reinforced lid shut and your contents secure. The fully loadrated lifting strap allows for flexibility in transportation, and a reinforced bottom ensures longevity in harsh conditions.
