

MAX LOAD: 0.85KG / 1.9LBS TABLET GRIPPER CODE: H02037

Now you can tether your tablet or ipad without the need for a permanent or semi-permanent connection point. Used in conjunction with a load rated tether, the Tablet Gripper uses purpose-built silicon to create a load rated tethering solution with zero impact on device operation.

Unlike some traditional device tethers that apply directly to your tablet device and may cause damage to the surface when removed, the GRIPPS Tablet Gripper easily slides over your entire device. The GRIPPS Tablet Gripper provides you with a load rated tethering solution with zero impact on device operation.
