

MAX LOAD: 2.5KG/5.5LBS

HAMMER SOLID HANDLE CONNECTOR PACK FOR TOOL BELT

H07000

Get all the connectors you require for adding any hammer to your tool belt with this pack. Including unique self-vulcanizing GRIPPS V Gripp Tape (which is resistant to heat, water, and oil), a Tool Catch, and GRIPP Shrink, no hammer is a challenge.

Once applied to your hammer, you can use the existing GRIPPS H01073 cable to connect between your belt and your new hammer Tool Catch.
