

**MAX LOAD: 1KG/2.2LBS**

# RATCHET/WRENCH OPEN TOOL CONNECTOR PACK FOR TOOL BELT

**H07001**

Get all the connectors you require for adding a Ratchet or Wrench to your tool belt with ease. This bundle includes a changeable GRIPPS Screw-lock Cable and 130mm Swivel Catch.

The Swivel Catch works to prevent tangles when working with hand tools at height. A load rated swivel point allows for a 360-degree operational range of motion, while the cord loop can be attached directly to your retractor, to minimise tension from the retractor whilst you work.
