# SAFETY GLASSES TETHER

CODE : H10000

Eliminate the stress of potentially dropping your glasses, knowing you have yourself covered with GRIPPS highly convenient Safety Glasses Tether.

Eyewear is an essential piece of PPE for many industrial workers. While working at height, it's particularly easy to accidentally knock or drop your glasses, so GRIPPS developed our own super light Safety Glasses Tether. Easily adjustable to suit your neck for comfort, they also come with very strong slide-on style GRIPPS to attached to your sunglasses, personal glasses or PPE eyewear.

Eliminate the stress of potentially dropping your glasses, knowing you have yourself covered with highly convenient Safety Glasses Tether. An essential item you can easily slip into your pocket, keep in the car, toolbox or simply wear daily!
