WHO ARE YOU LISTENING TO?

In a race to finish some of my sketches, I've been listening to Maze, Carly Simon, Gladys Knight, Morgana King, and Quincy Jones, just to name a few, and I'll be super excited when I can share some of those finished pieces! Speaking of musicians, for Black Music Month, I spent time researching and sharing stories about other artists who inspired my work, including Gwen Guthrie who, somehow, I could not get over co-writing "Supernatural Thing!" While many of them are no longer with us, they certainly left behind some beautiful music. Most recently, after watching the 2018 version of "A Star Is Born." featuring Bradley Cooper and Lady Gaga, I listened to the soundtrack and fell in love with a song that moved me to start a sweetheart sketch that is "music to my eyes."

The Bliss Collection

A few issues ago, we ran an article about our fiery hot Fever Collection. Because many of my latest creations make a lot more sense there, I've chosen to take a detour. For now, I'm doing a U-Turn, back to our signature, and more simplistic designs. Essentially, Bliss, is a departure from Infinity, where the artwork was the clear headliner. With excerpts from my poems, "The Corner

of You and Me" and "To Be Without You," it promises to deliver that same sugary sweetness that you've come to know. Right now, however, I am in the process of modifying and recreating some of the designs due to a very unfortunate event, on which I'll elaborate during the next Greeting Card Chronicles episode. Until then, stay tuned for a poetry reading next month!

DREAM ON

Don't snooze and lose out on making someone's dream a reality with heartwarming poetry and artwork!

The Dream Collection

is [available now](#) and is perfect for ANY occasion!

LOVE NOTES

I love everything about the Snowflakes Collection! The poetry is second to none, the presentation is beautifully crafted, and the artwork is one of a kind! My favorite has to be the Memories card, and Joyful Noises, because of the complexity of the artwork. All cards come wrapped in beautiful packaging. Every order with TopKnot DediKations is an experience that you don't want to miss out on!
