1500	500	Chrome	HIQ 082N	087 /T
700	450	Chrome	HIQ 089	N/A

Design and functional elegance

Electric elements are available for most of our towel rails.

Allowing use during the summer months when heating is not required

Add an electric element to a towel rail for summer use when the heating system is not running

Element 300w **HIQ 087**

Element 150w **HIQ 087S**

Element 200W **HIQ 087M**

Element 200w with timer **HIQ 087T**

Tee adaptor—required with all elements **HIQ 090**
