

Sheet one:

1. Fold paper into quarters along grey fold lines with cut lines on outside so you can see them.

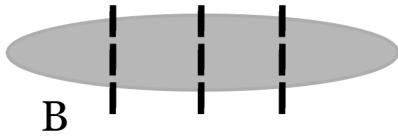

2. Cut along dotted lines

3. Separate out the pieces

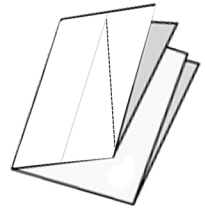

4. Cut along cut lines as indicated.
It does not matter if the cuts are uneven.

Sheet two:

1. Fold paper into eight along grey fold lines with dotted cut line on outside so you can see it.

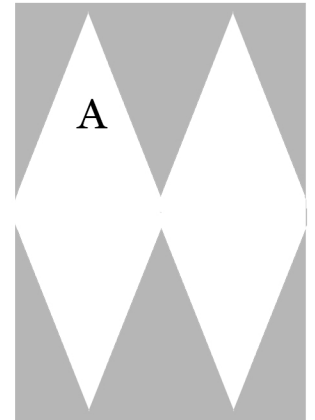

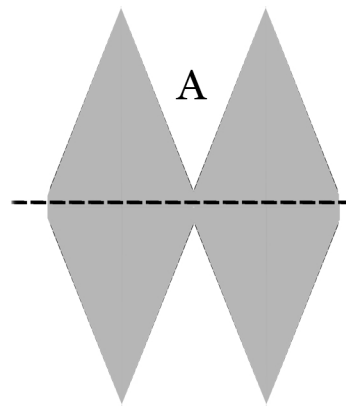

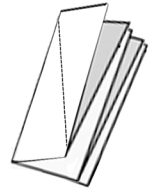

2. Fold once more along the grey fold line.

3. Cut along the dotted line.

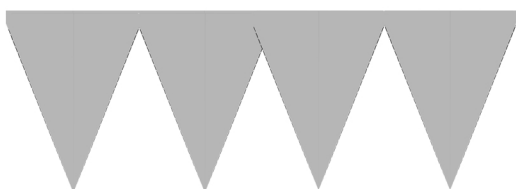

4. Separate out the pieces.

5. Cut along dotted line
