"I am so in love with these tiny cross stitch kits. They come with everything you need (except scissors) and are great for beginners and pros alike. You can easily do one in an hour depending on how many colors/how big it is. I've been framing them and giving them as gifts. They shipped super quickly!"

"Ordered the Welsh Happy Birthday box for my 80 year old (Welsh) Mum and she's just rung to tell me all about it. She loves it and says she can't wait to show people. Thank you"
