

COMO-6 LED Wall Light

Description

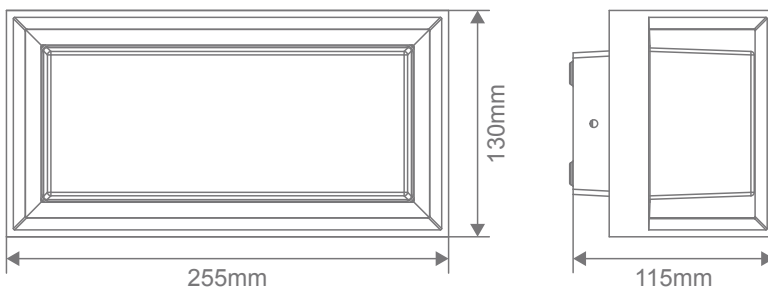

The COMO is a modern and decorative IP65 LED Wall light that is designed to be durable and weatherproof, while offering an attractive solution to front facades or back patio areas as a feature where ambient lighting is required. Featuring a Black or Dark Grey powder coated Aluminium frame, with an opal glass enclosure to the LED module behind. Available in 3000K Warm White and 5000K White colour temperature options. Suitable for 240V wiring with a built in power supply. Backed by our 3 Year Replacement Warranty.
