

WP-SLIM12-30 LED Driver

Description

The SLIM range of LED drivers now offers new possibilities in mounting options. The SLIM range of Constant Voltage LED drivers were specifically designed to suit LED mounting profiles. The SLIM LED drivers can now be part of an integrated system with no need to separately mount the drivers in other locations. The SLIM range of LED drivers also suits any application where small drivers are needed to suit particular applications.

Order Code: 20195

Product Code: WP-SLIM12-30

Specification Features

Input voltage (AC):	240VAC
Output voltage (DC):	12VDC
Output current (A):	DC 2.5A
Output wattage (W):	30W
Flex and Plug:	Yes
LED Indicator:	Yes*
IP rating (IP):	67
Dimmable:	No
Dimensions:	(L) 165mm x (W) 30mm x (H) 20mm
Warranty:	3 Years replacement

* LED indicator is illuminated whilst the LED driver has an output voltage. If the driver goes into protection mode or no output voltage is present, This makes for quick diagnostics.
Never run the driver to 100% of its capacity.

WP-SLIM12-60 LED Driver

Description

The SLIM range of LED drivers now offers new possibilities in mounting options. The SLIM range of Constant Voltage LED drivers were specifically designed to suit LED mounting profiles. The SLIM LED drivers can now be part of an integrated system with no need to separately mount the drivers in other locations. The SLIM range of LED drivers also suits any application where small drivers are needed to suit particular applications.

Order Code: 20196

Product Code: WP-SLIM12-60

Specification Features

Input voltage (AC):	240VAC
Output voltage (DC):	12VDC
Output current (A):	DC 5A
Output wattage (W):	60W
Flex and Plug:	Yes
LED Indicator:	Yes*
IP rating (IP):	67
Dimmable:	No
Dimensions:	(L) 240mm x (W) 30mm x (H) 20mm
Warranty:	3 Years replacement

* LED indicator is illuminated whilst the LED driver has an output voltage. If the driver goes into protection mode or no output voltage is present, This makes for quick diagnostics.

Never run the driver to 100% of its capacity.

WP-SLIM12-80 LED Driver

Description

The SLIM range of LED drivers now offers new possibilities in mounting options. The SLIM range of Constant Voltage LED drivers were specifically designed to suit LED mounting profiles. The SLIM LED drivers can now be part of an integrated system with no need to separately mount the drivers in other locations. The SLIM range of LED drivers also suits any application where small drivers are needed to suit particular applications.

Order Code: 20180

Product Code: WP-SLIM12-80

Specification Features

Input voltage (AC):	240WAC
Output voltage (DC):	12VDC
Output current (A):	DC 2.5A
Output wattage (W):	80W
Flex and Plug:	Yes
LED Indicator:	Yes*
IP rating (IP):	67
Dimmable:	No
Dimensions:	(L) 240mm x (W) 30mm x (H) 20mm
Warranty:	3 Years replacement

* LED indicator is illuminated whilst the LED driver has an output voltage. If the driver goes into protection mode or no output voltage is present, This makes for quick diagnostics.
Never run the driver to 100% of its capacity.
