## Wall lamp in antique silver

### DESCRIPTION

---

Our Zermatt wall lamp cast a soft ambient light over a wide area. With curve neck and clear glass diffuser, it offers contemporary and industrial touch to residential and commercial spaces. This weatherproof light is perfect solution to hallways, corridors and stairwells. The lamp has IP 54 rating means it has string water resistance and could be used both outdoors and indoors. Two colours are available, antique brass and silver. This lamp is suitable for both indoor and outdoor use.

Please note that most glass components are handmade and therefore small air bubbles, slight defects and colour variations may naturally occur during the glassblowing process.
