SANDHURST

Wall lamp in antique silver

DESCRIPTION

Our Sandhurst wall lamp is our popular wall light with simple and vintage shade and it has IP54 rating which suitable for indoor and outdoor use such beside front doors, garden, living room or hallways. The wall light features round brass rose with straight arm that curves downward at right angle to hold the brass shade, and the shade has sealed glass tube. This lamp is available in antique silver or brass for industrial form.

This lamp is suitable for both indoor and outdoor use. Please note that most glass components are handmade and therefore small air bubbles, slight defects and colour variations may naturally occur during the glassblowing process.
