Helios Solar LED Batten with PIR Sensor & Remote Control

MSL2520

- Lumens: 1850lm
- IP65 weather resistance
- Colour Temperature: 6000K
- 110° beam angle
- 18W monocrystalline solar panel with 4m connection wire
- Up to 8h working time (for 100% brightness) and about 14h charging time with full sunshine
- Remote control function: brightness, on/off, timer, auto (PIR)

SOLITUDE Range

Solar Floodlight with Radar Sensor

MSL3050/ MSL30100

- IP65
- Remote function: On/off, timer, brightness control, radar mode, dusk to dawn mode
- 6 hour working time when battery fully charged
- Colour Temp: 6500K

MSL3050
1000lm
20W

MSL30100
2000lm
25W

Model No.	Lumens	Colour Temp	Battery Capacity	Solar Panel
MSL3050	1000lm	6500K	3.2V 15Ah	20W
MSL30100	2000lm	6500K	3.2V 25Ah	25W

EPSILON Range

Solar Streetlight with Remote Control

MSL203/MSL205

MSL203
1000lm

MSL205
1500lm

- Solar-powered
- IP65 rating
- PIR sensor with two working modes: sensor mode and constant lighting*

Model No.	Colour Temp	Lamp Type	Lumens
MSL203	5700K	SMD LED	1000lm
MSL205	5700K	SMD LED	1500lm

MXS4405

MXS4410

DEFENDER Range

Solar LED Floodlights

5W
MXS4405

MXS4405/MXS4410

10W
MXS4410

- IP65
- Dual built-in PIR sensors
- Working modes (MXS4405): sensor night light mode, and manual override
- Working modes (MXS4410): constant night light, sensor night light mode, and sensor on/off mode

Model No.	Lumens	Colour Temp	Battery Capacity	PIR Sensor
MXS4405	500lm	4000K	3.7V 3Ah	Single
MXS4410	1080lm	4000K	3.7V 7.2Ah	Dual
