- Architectural design • Parallel connection possible
- Double sockets for extra light output • Space for house number or resident text

Pontio is a series of outdoor lights by Danish design duo Says Who in a streamlined, architectural design. The geometric shape adds a modern, yet timeless expression to your home - while the oblique shade provides a unique and interesting look from all angles. The large, illuminated plate is the perfect place to highlight the resident's house number or names. Matte, slightly textured surface in painted aluminium.
