Swing Arm Base in Antique Brass

Description

KINGSTON swing-arm base is available in three colour finishes. The swing arm is fixed at the weighted base, and at the first join, but pivots from the centre of the arm (320 degrees left-to-right), allowing good projection over your work space or lounge. Kingston suits a standard E27 (43mm shade ring) lamp shade. We recommend a 14 inch (350mm) tapered shade for the floor lamp base. An on/off foot switch is conveniently located on the power cord. Pictured with the OL91914 pleated shade.
