LUKE TOUCH LED Black

SKU:OL92631BK

Touch Dimming LED Lamp with USB Port

Description

LUKE LED desk lamp is packed with features, including a USB port for charging devices, and soft touch controls on the base. Use the dimming scale to adjust the brightness or simply touch the buttons marked for brightest light or the lowest light setting. LUKE also features colour change technology, which can be left at your preferred setting or changed between four colour temperatures – a warm 2700K through neutral whites, to the bright white 6500K. A strip of bright LED's run the full length of the top arm piece, providing a good spread of 500lumens of light, with a high colour rendition index (>Ra80). Power-in and the USB socket are at the rear of the base (200 x 125 mm). The arm can be pivoted left to right on the base, and fully up-down. It can also be adjusted up-down at the bend.

Additional information

Brand	Oriel Lighting
Colour	BLACK
Bulb Type	LED
Wattage	9w
Voltage	240V
Overall Height	55
Overall Width	50
Overall Depth	12.5
