TOFT FLOOR LAMP

SKU:OL93761NAT

Functional USB Timber Lamp Base

Description

So very retro, the TOFT tri-pod floor lamp base features a USB socket for charging your devices, even when the light is off. TOFT also includes a convenient timber table to place your device, while it is charging! Great choice for a living area or as a pair of bedside table-lamps. Unstained and finished in a clear coat, with matt black highlights, we recommend a 400-450mm tapered shade, or a 400mm drum shade. (5v 2.1 AMP socket)
