

SPLASH ROUND TRIO Fixed LED Downlight

Description

The SPLASH range of LED downlights have been designed as a contemporary IP rated downlight suitable for areas such as bathrooms, toilets and exterior applications. Featuring a modern curved front face, wide light distribution and an ultra slim housing which makes this downlight suitable for installations where ceiling space is minimal. Complete with a dimmable LED driver and flex and plug. Fully dimmable with Domus dimmer series. Now with TRIO, the added option of changing the colour temperature output of the downlight with a dip switch at the back of the fitting.
