- Night Light Function 20lm memory • Gives a soft light that doesn't blind
- Light both up and down • Night Light Function 20lm memory

Sway is extremely beautiful in all its simplicity. The minimalistic design reflects the design duo's sharp eye for tasteful lighting, where every detail has been carefully considered. The light is reflected both up and down, giving a soft and pleasant light. At the same time, the lamp's flexible swivel mechanism allows for a directional light that contributes optimal light conditions. A timeless series that can create joy for many years has been created. Designed by Bjørn+Balle

The Sway table lamp is multifunctional and beautiful lighting in a single lamp. In the lamp base, both USB access and a switch function have been integrated. The lamp shade's flexible swivel mechanism allows for a directional light, while the light is also reflected out into the room and up towards the ceiling.
