

SOLAR MINI BOLLARD

- Mini bollard area light
- Solar powered
- Warm white LED 3000K
- Lumen: 250
- No cable required
- Die-cast aluminium
- Powder coated
- 5 year anti-corrosion warranty

TECHNICAL SPECIFICATIONS

LED power	1.8W
Battery	4.5 AH 6.4V
PV Panel	3.5W Grade A
Charging	6 hours/day
Material	Aluminium
Lumens	250
Autonomy	23 hours
Warranty	5 years

FEATURES

23-hour Autonomy
Smart power management
4 rainy days backup

Automatic Operation
Day and night detection
Automatic power on/off

Solar Panel
3.5W monocrystalline
Grade A solar cells

LED Lighting
High brightness LED
18 pieces x 0.09W each
Lifespan: 50,000 hours

Environment
Green energy
Zero CO₂ emissions

LIFEPO4 Battery
Lithium LIFEPO4 Battery
Lifetime: up to 12 years
Working temp: -15°C–65°C

Die-cast Aluminium
AKZONOBEL painting
Corrosion resistant

Waterproof
IP65 compliant
