- ✓ **Make an elegant statement** in any space thanks to the Timbr's stunningly crafted Paulownia timber blades that offer an impressive blade span of 183 cm – carefully designed and engineered to impress.
- ✓ **Hand-finished timber blades** accentuate the unique natural character of the timber grain and are carved from Paulownia – a light-weight, moisture-resistant and highly renewable plantation timber.
- ✓ **Moves large volumes of air** thanks to the large blade span and aerodynamic blade design, ensuring sweeping airflow ideal for large enclosed spaces.
- ✓ **Highly efficient airflow** made possible by the energy-efficient motor, using only 36W on high and as little as 6W on low so you stay cool for less.
- ✓ **Enjoy whisper-quiet cooling**, thanks to the combination of a silent DC motor and premium timber blades, so you stay cool with less wind noise and fan noise.
- ✓ **Perfect for both Indoor & Outdoors** so you can maintain your decor style from your living room through to your alfresco outdoor area.

FAN PERFORMANCE

Fan Speed (H:6/M:4/L:1) (Revolutions Per Minute)	112 / 86 / 45 RPM
Energy usage (H:6/M:4/L:1) (Watts)	36 W / 15 W / 6 W
Airflow volume (H:6/M:4/L:1) (Cubic metres per hour)	18,531 / 14,229 / 9,628 CMH
Efficiency (H:6/M:4/L:1) (CMH / W)	579 / 949 / 1,605 CMH / W

Remote Control

The Timbr DC ceiling fan includes a stylish 6 speed remote control as standard.

- Enjoy 6 speed settings for your ceiling fan.
- Forward and reverse function for year-round comfort.
- Light on/off and light dimming support.

Smart Ceiling Fans

Transform your ceiling fan into a Smart Ceiling Fan with the Bond Bridge and control your ceiling fan and light through Google, Apple and Alexa Voice Assistants, and from your smart devices.

SKU: BD-1000

Accessories

Downrods

For high ceilings, consider a longer downrod to help bring your ceiling fan lower and improve performance.
