✓ **Modern and sleek design** with a newly re-tooled bottom plate for a slimmer and sleeker finish. The Trinity ceiling fan blends a modern design with aerodynamic performance for an elegant cooling solution in contemporary spaces.

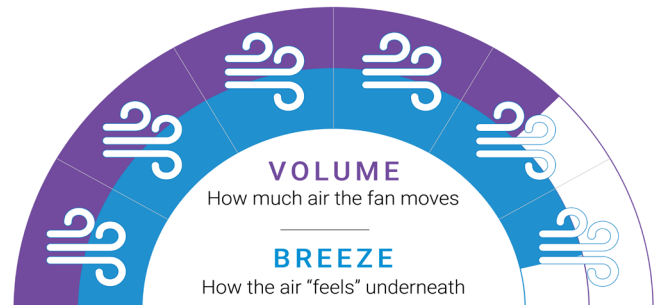

✓ **High performance cooling** thanks to the powerful DC motor paired with aerodynamic fluted blades, effectively moving large volumes of air directly below the fan - ideal for even the hottest Australian climates.

✓ **Moulded aerodynamic blades** are crafted from polymer (a high-grade plastic) which are durable, easy to clean as well as being safer and quieter than metal blades.

✓ **Highly efficient airflow** made possible by the energy-efficient DC motor, using only 34W on high and as little as 5W on low so you stay cool for less.

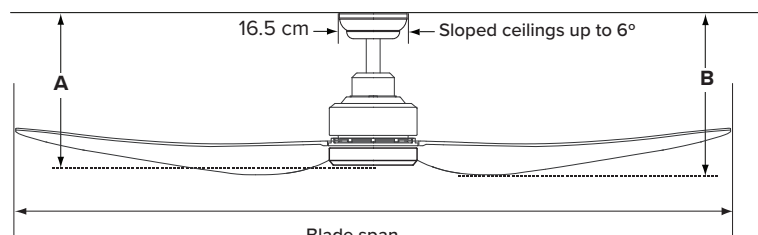

✓ **Enjoy whisper-quiet cooling**, thanks to the combination of a silent DC motor and premium polymer blades, so you stay cool with less wind noise and fan noise.

✓ **Perfect for both Indoor & Outdoors** so you can maintain your decor style from your living room through to your alfresco outdoor area.

FAN PERFORMANCE

Fan Speed (H:6/M:4/L:1) (Revolutions Per Minute)	210 / 141 / 89 RPM
Energy usage (H:6/M:4/L:1) (Watts)	34 W / 12 W / 5 W
Airflow volume (H:6/M:4/L:1) (Cubic metres per hour)	11,280 / 7,574 / 4,781 CMH
Efficiency (H:6/M:4/L:1) (CMH / W)	332 / 631 / 956 CMH / W

TRI48OBLED

Trinity 48" (122cm) Oil-rubbed Bronze/Koa 3 Blade DC Ceiling Fan with 20W CCT LED Light

The dimmable 20W LED light kit supports Colour Changing Technology (CCT) to toggle between Warm (3000K), Cool (4000K) and Daylight (5000K) colour temperatures.

Remote Control

The Trinity DC ceiling fan includes a stylish 8 speed remote control as standard.

- Enjoy 8 speed settings for your ceiling fan.
- Forward and reverse function for year-round comfort.
- Light on/off and light dimming support.
- Natural Wind mode for sea-breeze effect.
- Fan Off timers for set and forget convenience.

Smart Ceiling Fans

Transform your ceiling fan into a Smart Ceiling Fan with the Bond Bridge and control your ceiling fan and light through Google, Apple and Alexa Voice Assistants, and from your smart devices.

SKU: BD-1000

Accessories

Downrods

For high ceilings, consider a longer downrod to help bring your ceiling fan lower and improve performance.
