

VBLBO-1090-4-CCT

This reliable VIBE 1090 Series Bollard Light is built with strong high purity aluminium, black powder coated finish polycarbonate diffuser. With an IP65 weather rating and IK10 impact rating, this fitting is best installed in outdoor areas supporting the illumination of paths and gardens that may be prone to vandalism. With a modular capped, internal louvered head, this commercial bollard is 2CCT and can be switched between either 3000K or 4000K depending on your lighting needs. Please note: All VIBE LED Bollards are recommended to be mounted securely to a plinth/concrete base and not covered by any organic materials (dirt/mulch/sand ect) to avoid condensation entering and subsequently corroding the fitting. Not following this installation recommendation will void any stated warranty.

Features & Benefits

- Commercial Bollard with internal louvered head
- High purity aluminium body
- Change the Colour temperature with the flick of a switch - CCT can be switched by the side button on the fitting
- Switchable to a range of 2 colour temperatures
- Black powder coated finish
- Polycarbonate diffuser
- Stainless steel reflector
- Rag-bolt assembly included
- IP65 rated
- IK10 rated for impact resistance
- 3 year warranty

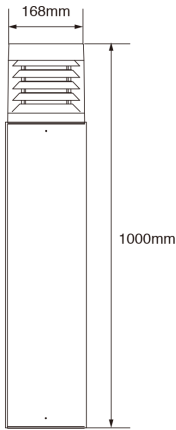

Specifications

SKU	VBLBO-1090-4-CCT
Luminaire efficacy	35
EAN	9340994027029
Light Colour	2CCT
Wattage	25
Lumen output	875
IP rating	65
IK Rating	10
Beam Angle	180
Trim colour	Black
Diameter	168
Height	100
Lifespan	5000
Warranty	3
Material	Aluminium, Polycarbonate, Stainless Steel
Lamp Type	LED
Weatherproof	Weatherproof
Kelvin	3000K/4000K
