

021 Series

VBLBOS-021-4-CCT

VIBE's 3.5W Solar Bollard includes a built-in solar panel that charges throughout the day to provide the safe security lighting needed throughout the night, detecting required illumination with the pre-installed automatic day/night sensor. This fitting will suit areas near the ocean due to its seaside and corrosion resistant build. Includes an IP65 weather rating, 50,000 hour lifespan and a 3 year warranty. Please note: All VIBE LED Bollards are recommended to be mounted securely to a plinth/concrete base and not covered by any organic materials (dirt/mulch/sand ect) to avoid condensation entering and subsequently corroding the fitting. Not following this installation recommendation will void any stated warranty.

Features & Benefits

- Built in Solar Panel charges throughout the day and uses stored energy during the night
- Automatic day and night sensor installed
- Fast charging Lithium LiFePo4 Battery
- Seaside Resistant, Corrosion Resistant
- Replacement Batteries available
- IP65 rated
- 50,000 hour lifespan
- 3 Year Warranty

Specifications

SKU	VBLBOS-021-4-CCT
Luminaire efficacy	118.6
EAN	9340994023847
Light Colour	2CCT
Wattage	3.5
Lumen output	415
IP rating	65
CRI	80
Trim colour	Black
Diameter	290
Height	800
Lifespan	50000
Warranty	3
Material	Die Cast Aluminium
Lamp Type	LED / Solar
Weatherproof	Weatherproof
Working temperature	-15°C ~ +65°C
Kelvin	3000K/5000K
