**Fly Me Flag** is your commercial flagpole expert! We have been selling and installing commercial flagpoles in sizes from 20' to 130' for over 25 years.

Flagpole safety requires knowing the wind load that the pole and flags will be subjected to in bad weather. Our knowledgeable staff can help you decide on the proper flagpole based on your location and the size and number of flags you plan to fly.

From proper installation to future maintenance, the Fly Me Flag staff can answer your questions. Please call us to discuss your flagpole needs and let our experts help you choose the proper flagpole for proudly displaying flags at your business location.
