

# On-Demand 1-hour Rapid Novice Rhythm Interpretation

## Course Agenda:

- A systematic approach to rhythm interpretation
- A look at the cardiac conduction system
- Calculating the rate using the 6-second approach
- What is the PR, QRS, QT interval? How do you measure them?
- What is the big deal if the intervals are abnormal?
- What is the ST segment?
- The ACLS/PALS approach to rhythms: Defibrillation, Cardioversion, Pacing
- Case studies in common and life-threatening rhythms

### 🕒 Course Duration

This course will take approximately 8 hours to complete.

**Cost:** \$50. This includes comprehensive course material to print, a course certificate for 1-hour of Continuing Education, and access for a full year.

## Registration:

**[Option 1]:** Register and pay by credit card by choosing the 'Rapid On-Demand NOVICE 1-hour Rhythm Interpretation' course under the 'QRS Created On-Demand Courses' tab online at <https://www.qrseducation.com/collections/courses>.

**[Option 2]:** E-transfer to [darlene@qrseducation.com](mailto:darlene@qrseducation.com). Please add the course you wish to attend, as well as your email address and phone number in the comment section.

**About the workshop:** This accelerated course presents a systematic method for Lead II Rhythm Interpretation, emphasizing a progression from recognizing normal sinus rhythm to understanding abnormal rhythms. This course includes some case studies, hands-on practice, and stress-free learning. For a comprehensive On-Demand course on this subject, please attend the 8-hour Novice Rhythm Interpretation Course.

**Certification (Optional):** Showcase your competence in this subject matter by completing the Rhythm & ECG Assessment Certification Test. Register and pay for this test after you have completed this On-Demand course at <https://www.qrs-education.com/products/qrs-created-certification-tests>.

**Additional material (Optional):** For additional learning, consider the purchase of the physical or e-version copy of the 'QRS Educational Services Heart of the Matter Manual' in the 'Products' tab of our website at: <https://www.qrs-education.com/collections/products>.

**About the Presenter:** Darlene Hutton, BScN, MSN, Owner of QRS Educational Services has experience as a Staff Nurse in CCU, Emergency, ICU, PACU; Critical Care Educator; Manager of CCU/Telemetry; Research Manager of Cardiology and Diabetic organizations.
