#### Registration:

**Option 1:** E-transfer to [darlene@qrseducation.com](mailto:darlene@qrseducation.com). Please add the course you wish to attend, as well as your email address and phone number in the comment section.

**Option 2:** Register and pay by credit card by choosing the 'OnDemand Courses' tab online at <https://www.qrs-education.com/collections/courses>

**About the Workshop:** This course is ideal for health care staff or students working in any health care setting. The important objectives of this course are to become comfortable in using a systematic approach to ECG assessment and to recognize a normal vs abnormal ECG. **NOTE:** If you are new to cardiac monitoring, please attend the Rapid 1-hour or the more in-depth 8-hour Novice Rhythm Interpretation course first. For additional learning, consider the purchase of the QRS Heart of the Matter Manual, in the "Products" tab of our website.

**Certification:** Show case your competence in this subject matter by completing the Rhythm & ECG Assessment Certification Test at an additional fee.

**About the Presenter:** Darlene Hutton MSN, has a wealth of nursing experience in a variety of settings: Staff Nurse in CCU, Emergency, ICU, PACU; Critical Care Educator; CCU Manager; and Research Manager. Her company, QRS Educational Services, provides a wide variety of OnDemand courses and also provides ACLS, PALS, and TNCC.
