ACLS pre-requisites as per Heart and Stroke Foundation (HSF):

Provider (Student) materials can be obtained directly selecting Shop at <https://cpr.heartandstroke.ca/s/>. The cost of this manual is in addition to the ACLS cost
3. Complete pre-course assessment PRIOR to the course. This pre-test can only be accessed through the HSF Portal by using the resuscitation link <https://cpr.heartandstroke.ca/s/>, log in and choose the Programs tab to follow a series of prompts to the Pre Course Assessment. Once you have successfully completed the pre test with a pass of 70% you will need to print the results to bring with you on the day of the ACLS Provider Course.
