

RHYTHM INTERPRETATION

Monday September 28, 2020

Start time: 8 am EST

Review of cardiac conduction system
What is the PR, QRS, QT interval and
How do you measure them?
What's the big deal if they're abnormal?
Various way to calculate the rate
Systematic Approach to Rhythm
Interpretation

Break

Premature vs. Escape Rhythms
How to treat difference rhythms: the ACLS
Approach to Treatment:
Defibrillation vs. Cardioversion
Pacing: temporary & permanent

Break

Rhythms originating in the Atria: Sinus
Rhythm, Brady & Tachy
Atrial Fibrillation/Flutter

LUNCH – On Own

Rhythms originating at the AV:
Junctional Rhythm, AV Blocks

Rhythms originating in the Ventricles:
Ventricular Rhythm, Ventricular Tachycardia
Torsades de Pointes, Ventricular Fibrillation
Asystole & PEA case studies

Conclusion: 4pm

This 2-day course is ideal for health care staff or students working in Emergency, ICU, Stepdown, Medical, PACU, Pre-Hospital. The important objective of this 2-day workshop is to better understand normal and abnormal rhythms and ECGs. Throughout both days, there will be discussions on appropriate actions and treatments according to current AHA/ACC/CCS Guidelines.

ECG INTERPRETATION

Tuesday September 29, 2020

Start Time: 8 am EST

Basic housekeeping about the 12 Lead ECG
The Systematic Approach to ECG Assessment:

RIRI

(Rate-Intervals-Rhythm-Ischemia/Infarction)

RATE: a review on various ways to calculate
INTERVALS & RHYTHMS:

ECG Case studies of: AV Blocks, Bundle
Branch Blocks, Long QT

LUNCH - On own

ISCHEMIA/INFARCTION:

What is an Acute Coronary Syndrome?
What will the ECG look like with an ACS?
Learn the various parts of the heart
the ECG looks at

STEMI, NSTEMI – What's the difference?
So, your patient is having an MI – What
complications can you expect and why?
(the boot, gun and leftovers)
How can you tell between an
acute, recent and old MI?

Case Study Jeopardy:
Practice Session of various ECGs

Conclusion: 4pm

*If you are looking for an excellent resource manual, please consider purchasing our e-version **The Heart of the Matter** manual. With your purchase, we will mail you a hard copy version as well. To order, go to www.qrs-education.com under 'Products'.*

ONLINE

- Rhythm: Sept 28, 2020
 ECG: Sept 29, 2020

Cost \$110.00 per day
Cost \$200.00 per two days

3 ways to Register & Pay:

- 1. Online:** Register directly at www.qrs-education.com under *Courses*
- 2. Mail:** Fill in the details above and mail this, along with a cheque, payable to QRS Educational Services, to 728 Anderson St., PO Box 59025, Whitby, ON. L1N 0A4.
- 3. Phone:** call QRS directly at 905-668-2232

About the Presenter:

Darlene Hutton is a nurse with 37 years of experience. She has worked in CCU, ICU, PACU, and Emergency as a staff nurse, nurse educator and CCU manager. She has been involved in cardiology and diabetic clinical research and brings a wealth of evidence-based practice into her presentations. She has been presenting workshops for the last 27 years throughout Canada.

Participant evaluations are always positive with frequent comments about her way of making things easy to understand. Participants include nurses, nurse practitioners, nursing students, physicians, paramedics, pharmacists, and technicians.

Her company, QRS Educational Services, is known for bringing courses to the customer, and providing education and training anywhere in Canada from large urban hospitals to air-access only nursing stations. QRS Educational Services also provides ACLS, ACLS-Experienced Provider, PALS, PEARs, and TNCC.

We are celebrating our 27th anniversary in 2020. Thank you for your continued support.

These 8-hour courses are offered online via Zoom. You will need good internet connection to attend. Due to delays in mailing via Canada Post, we will email you the course material for you to print.

Once you have registered, we will send you an email with the Course information.

Certificates will be issued electronically after course completion.

Cancellation Policy:

Refund, less \$40 admin fee, if cancelling up to the day prior to the course.

No refund for no shows.
