IN THE BOX

(1) 7 gal Cold Brew Bucket Lid

(1) Racking Arm

(1) Silicone Cap

(1) Stainless Steel Basket with Molded Silicone Handle

(10) Disposable Coffee Filter Bags

OPTIONAL

55 mm Thermowell
Conical Bottom to Consolidate Sediment
Molded Silicone Basket Handle
Perforated Exoskeleton Basket to Prevent Bag Tears
Brew Bucket Lid
Brew Bucket
LCD Temperature Probe + Silicone Boot
Thermowell
Beer Inspired Rotatable Racking Arm to Maximize Yield
Conical Bottom to Consolidate Sediment
STAINLESS STEEL PREP

PRE-CLEAN

Thoroughly wash all surfaces of the Cold Brew Bucket assembly with Tri-Sodium Phosphate (TSP) and hot water prior to first use of the tank. Refer to the TSP manufacturer’s recommendations for proper mixing concentrations. Use a soft terry cloth to scrub the component surfaces. Thoroughly rinse and dry all surfaces after cleaning.

PASSIVATION

It’s good practice to periodically passivate all stainless steel equipment with an acid based solution to establish a uniform oxide layer that will maximize corrosion resistance. Following the pre-clean step, fill the Cold Brew Bucket with Star San at a concentration of 1 fluid ounce per gallon of 70-80°F water. Place the Basket inside of the Cold Brew Bucket and let sit for 30 minutes. For optimal care, passivation should be performed at least once a year or anytime you believe you may have inadvertently scratched

CLEANING AND SANITIZING

As part of a regular cleaning regimen, both pre and post-fermentation, wash the interior surfaces of your Cold Brew Bucket with an alkali cleaner such as PBW at a ratio of 0.75 fluid ounce per gallon. Then sanitize with Star San or another acid based sanitizer per the manufacturer’s recommendations.
**BREWING INSTRUCTIONS**

**STEP 1**  
Insert Racking Arm assembly through the bottom hole in the Brew Bucket and secure with nut. Ensure valve is in the closed position.

**STEP 2**  
Insert Thermowell through the upper hole and secure with nut.

**STEP 3**  
Insert LCD Temperature Probe into Thermowell and fit boot onto Thermowell ferrule.

**STEP 4**  
Place Brew Bucket Lid onto Brew Bucket and secure with the lid clamps.

**STEP 5**  
Insert Disposable Coffee Filter bag into Basket.

**STEP 6**  
Fill Disposable Coffee Filter with ground Coffee.

**STEP 7**  
Insert Basket through opening in Brew Bucket Lid.

**STEP 8**  
Fill Brew Bucket with water by pouring over the ground coffee.

**STEP 9**  
Secure top of bag with included zip tie.

**STEP 10**  
Place Molded Silicone Cap onto Basket and leave undistributed for the remainder of the brewing process.

**STEP 11**  
When brewing is complete, raise the Basket out of the Brew Bucket, rotate Basket 45° and place Basket on Brew Bucket Lid until draining is complete.

**STEP 12**  
Remove the Molded Silicone Cap and slowly pull the Coffee Filter Bag out of the Basket for disposal.

**STEP 13**  
Place Molded Silicone Cap onto Brew Bucket Lid, refrigerate and serve.
**WARRANTY**

Ss Brewtech provides a one year limited warranty to the original purchaser that our product(s) will be free from manufacturing defects in material and workmanship. The limited warranty covers only those defects and/or product failures that arise as a result of normal use, and does not cover any problems that originate from:

- Improper cleaning, care and maintenance
- Modifications made to a product
- Operation outside the product’s published specifications
- Damage caused by incorrect assembly
- Exceeding recommended operational limits

Ss Brewtech reserves the right to request the original purchaser to return the defective item, at the purchaser’s expense, before processing the warranty claim and issuing a replacement. If a direct replacement is no longer available, a product that serves the same purpose with equal or greater value shall be awarded. Ss Brewtech, at its discretion may also opt to simply refund the full purchase price in lieu of replacing the product.

Ss Brewtech limited warranty is only applicable to customer-direct sales of home brewing.

**LIMITATIONS**

Ss Brewtech makes no warranty of any nature beyond what is contained in this limited warranty. Ss Brewtech is not responsible for representations made about a product by another retailer.
