

Safety Data Sheet

Section 1: Identification

Product Name: Flavor Control™ for ClōSYS® Unflavored Alcohol-Free Oral Health Rinse

Synonyms: Peppermint oil

CAS Number: 8006-90-4

Product Use: Intended to add mint flavor to ClōSYS Unflavored Alcohol-Free Oral Health Rinse. ClōSYS Unflavored Alcohol-Free Oral Health Rinse is intended for cosmetic use as a mouthwash in humans, to eliminate oral malodor and to cleanse the oral cavity.

Manufacturer/Supplier: Rowpar Pharmaceuticals, Inc.

Address: 16100 N Greenway Hayden Loop, Suite 400, Scottsdale, AZ 85260, USA

General Information: (480) 948-6997 or (800) 643-3337

Transportation Emergency Number: Not Applicable

Section 2: Hazard(s) Identification

GHS Classification:

Health	Environmental	Physical
Acute Toxicity - Category 5 Eye Corrosion - Category 2 Skin Corrosion - Category 3 Skin Sensitization - Category 3 Mutagenicity - None Carcinogenicity - None Reproductive/Developmental – None Target Organ Toxicity (Repeated) – None	Aquatic Toxicity – Category IV	Flammable Liquid - No

GHS Label:

Symbols:	
Hazard Statements	Precautionary Statements
Not available	Product may cause irritation to skin and eyes. Vapors from product may cause irritation to throat and lungs. Inhalation of high concentrations of vapor may result in anesthetic effects. Repetitive contact with product may result in allergic dermatitis. This product is not intended for ingestion or consumption. Potentially hazardous if ingested in large quantities.

Section 3: Composition/Information on Ingredients

Component	CAS Number	Weight %
Mineral Oil	8042-47-5	Proprietary
Essential Peppermint Oil	8006-90-4	Proprietary
(See Section 8 for Exposure Limits)		

Section 4: First-Aid Measures

The procedures in this section are recommended as emergency first aid only. This information is not intended to replace or supplant treatment advice from a health-care professional.

- General Advice:** If reaction to the product does not subside quickly (within a few minutes), immediately consult physician.
- Skin Contact:** Remove contaminated clothing and wash with soap and water.
- Eye Contact:** Flush with water for 15 minutes.
- Inhalation:** Remove to fresh air.
- Ingestion:** Drink milk or water to dilute, contact poison control.

In the event an adverse drug reaction occurs, please seek immediate medical attention and discontinue use of product. Also, please notify Manufacturer.

Section 5: Fire-Fighting Measures

This section refers particularly to quantities greater than found in a single consumer size of *ClōSYS* Flavor Control™.

FLAMMABLE PROPERTIES

Autoignition Temperature	Not Available
Flash Point	165.2°F
Flammable Limits – LEL	Not Available
Flammable Limits – UEL	Not Available

Extinguishing Media

Foam, Carbon Dioxide (CO₂), Dry Chemical

Special Firefighting Procedures/Unusual Fire and Explosive Hazards

None known. Use self contained breathing apparatus and protective clothing.

Note: See STABILITY AND REACTIVITY (SECTION 10) for hazardous combustion and thermal decomposition information.

Section 6: Accidental Release Measures

Spill or Leak Procedure

Eliminate flames and sources of ignition. Wipe up small spills with a cloth. For larger spills, use porous absorbent.

Section 7: Handling and Storage

Handling

Handle according to good safety procedures and avoid unnecessary exposure.

Product Storage

Store product in original, sealed container. Keep product away from heat, light, direct sunlight, and sources of ignition. Store product in cool area (moderate temperatures 60-80°F).

Container Information

Pressured Container

No

Container Type

High Density Polyethylene (HDPE) Bottle

Section 8: Exposure Controls/Personal Protection

This section refers particularly to quantities greater than found in a single consumer size of *ClōSYS* Flavor Control™.

Respiratory Protection

Not usually necessary, but approved respirator can be used if desired.

Eye/Face Protection

Splash goggles

Protective Gloves

Chemical resistant

Ventilation Recommended

Localized exhaust can be used to remove vapors.

Other Protective Equipment

Eye wash station and safety shower recommended in area.

Section 9: Physical and Chemical Properties

Odor	Strong mint
Color	Colorless
General Physical Form	Liquid
Flash Point	165.2°F
Evaporation Rate	Not Determined
Solubility in Water	Insoluble
Boiling Point	Not Determined
Vapor Density	Not Determined
Vapor Pressure	Not Determined
Specific Gravity	Proprietary
Refractive Index	Proprietary

pH Not Determined

Melting Point Not Determined

Section 10: Stability and Reactivity

Chemical Stability Stable

Materials and Conditions to Avoid

Avoid interaction of product with strong oxidizing chemicals. Avoid heat and flame. Avoid elevated temperatures above 60°C.

Hazardous Combustion/Decomposition Product

Burning produces carbon monoxide and carbon dioxide.

Hazardous Polymerization Product

Hazardous polymerization will not occur.

Section 11: Toxicological Information

Animal Toxicology, Mutagenicity, Reproductive/Developmental Toxicity

Not available

Carcinogenicity

None

Section 12: Ecological Information

Ecotoxicological Information Not available

Section 13: Disposal Considerations

Container Disposal

Dispose of container in trash.

Disposal Procedure

Dispose of product in accordance with all applicable local, state, and federal regulations.

Section 14: Transport Information

DOT Classification Not Applicable

Section 15: Regulatory Information

All ingredients have been inspected, and the finished product is in accordance with formulated Specifications for this material. It has been processed in accordance with Good Manufacturing Practices and prescribed standards of sanitation as practiced in the industry. All ingredients are generally recognized as safe (GRAS), approved by a regulation of the United States Food and Drug Administration (FDA) or appear on the industry-approved register of safe ingredients for the flavor industry.

State Laws

California: The California Safe Cosmetics Act of 2005 requires cosmetic manufacturers to disclose to the California Department of Public Health all cosmetic products containing mineral oil, among other chemicals. This product contains mineral oil.

Section 16: Other Information

Revision Date: April 03, 2017

Supersedes: June 17, 2014 MSDS Document for Flavor Control™ for *ClōSYS* Alcohol-Free Oral Health Rinse
