TOOLS & STUFF > Planes										
PL-WC-FS	BOW SCRAPER PLANES, Based on the original Warren Condit planes designed by William Salchow, these high-angled scraper planes smoothly remove wood with no gouging and are ideal for bowmaking. The aircraft aluminum body with ribbed sides allows for good grip, and the American cherry palm rest makes the planes comfortable in the hand. The D2 tool steel blades are of superior hardness and will hold an edge (includes hex for blade adjustment).	Flat, Small (55 mm x 10 mm; blade 20 mm)	\$95.00							
PL-WC-FM		Flat, Medium (93 mm x 15 mm; blade 20 mm)	\$95.00
