OneCert[®] International

Private Limited

	issues after Provisional TC and Final TC from Tracenet. Applying for COI on traces is importer/ exporter responsibility.	
Requirement & Reminder	5. Submit the product reconciliation of organic products.	Annually
Requirement & Reminder	6. Submit the annual update yearly.	Before 60 days from the date of renewal.

Important Note

- Renewal of certification process must start 90 days before the expiry of Certificate. In case organic certificate will not renewed after 30 days of expiry date, otherwise, project will be suspended..
- Create Lot after receiving Raw material TC but before processing
- Domestic TC issuance date must be before bill of lading date.
- Please keep visiting APEDA website & Trace-net for regular update.
- Please be careful about the production capacity of the unit.
- Transaction Certificate for Products Exported against RCAC is Mandatory.
- For unprocessed, processed Food and Feed category, as per EU please contact OneCert International office. For export of processed food to EU you need extra certificate from CB approved for category D (i.e. OneCert Int.). For Feed Grade product category to EU you need extra certificate from CB approved for category E.
- **Approved Storage capacity for Organic Material is 6 MT. You need to inform OneCert if your storage capacity increased. An additional inspection will be conduct for verification and approval.**
- **No change in pack size or any type of handling (except storage)/relabeling (except retail packaging) is allowed in Trading certificate. If you have any plan please apply for processing certificate**
- **An Organic Certification Logo Cannot be used on commercial Invoice which is for Non organic Products .**
- Please inform us in case there is any change in facility.
- If you are having multiple certification (like NPOP, NOP, EU, JAS, COR, BioSuisse etc.) and you have surrendered your NPOP certificates then your other certificates will also be considered invalid unless you have taken written consent from OneCert for continuation of other certificates.

If you have any question about the above requirements, contact us immediately for clarification. Failure to respond within the times indicated could jeopardize the continuation of your Certification.

Your certificate along with 'Inspection Report' is enclosed. Please, examine it carefully to be sure that all information is listed correctly.

Best Regards

Your Sincerely

Sandeep Bhargava
