Muskegon, MI 49444 Emergency Phone (800) 564-2987

Material Safety Data Sheet

Effective Date: 10/24/07

Section 1 - Product Identity

Product Name: Grip Strip foam backing material

Ingredients: (% w/w, unless otherwise noted)

Polyethylene foam	75- 100%
Dichlorodifluoromethane*	0 - 4%
Dichlorotetrafloroethane*	0 - 17%
Chlorodifloroethane*	0 - 18%
Stearyl stearamide	0 - 2%
Color concentrate in polyethylene	0 - 2%

* Blowing agents are fugitive and rapidly leave product after manufacture

DOT shipping

Class: Not regulated

HMIS Information: Flammability: 0 Health: 0 Reactivity: 0

Section 2 – Hazardous Ingredients

This material is chemically inert, resistant to solvents, gasoline, and oils

Section 3 – Physical Data

Boiling point:	N/A	Specific gravity:	0.02 - 0.16
Vap Press:	N/A	Sol. In water:	less than 0.1% by volume
Vapor Density:	N/A	Apperance:	Soft trapezoid shaped foam
		Odor:	No odor

Section 4 – Fire & Explosion Data

Flash point:	N/A	Flammable Limits:	N/A
Method used:	N/A	Extinguishing Media:	N/A
Special Fire Fighting Procedures:	cool fire exposed material before handling avoid dense smoke		

Section 5 – Health Hazard Data

Acute health Effects:

Inhalation: None
Skin: None
Ingestion: Mechanical blockage
Eye: Solid or dust may cause irritation or corneal injury due to mechanical operation. Fumes/vapors released during thermal operations such as hot wire cutting may cause eye irritation

Section 6 – Reactivity Data

Stability: (conditions to avoid) avoid fire & temperatures over 625F, 392C
strong oxidizing
Incompatibility: agents
Hazardous Decomposition Products: Under normal conditions carbon monoxide is generated. Additional toxic substances may be released under less than full combustion conditions.

Section 7 - Spill or Leak Procedures

Action to take for spills: N/A
Waster Disposal Method: Landfill, regrind, or density

Section 8 – Special Protection Data

Eye Protection: Safety glasses should be worn when being fabricated
Skin Protection: N/A
Respiratory protection: Atmospheric levels should be maintained below the exposure guideline. When respiratory protection is required for certain operations, use an approved air purifying respirator

Section 9 – Storage & handling Data

Safety Precaution: Avoid open flame
Other: Keep from freezing
