Every 0FG Catback features AWE's patented drone-killing 180 Technology®.

0FG Dual Tip Rear Exit configurations come complete with bolt-on hangers.

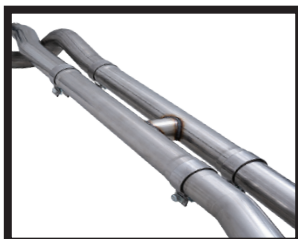

Dual 4.5" slash-cut tips angled perfectly where the bed meets the bumper.

Dual 5" straight-cut tips add a welcomed dose of aggression to the rear.

Quad 4" slash-cut tips fit the factory cutouts perfectly. Goodbye HDMI.

0FG for the 6.2L features a precision H-pipe to produce a full-bodied, rasp free tone.
