

**FOR RACING USE ONLY**

Congratulations on your purchase of the AWE Tuning Straight Pipe System for 04-> Carrera GT.

Exquisite hand built quality with industry leading performance distinguishes this exhaust system from all others.

**Parts list:**

- 2 flex joint section (driver and passenger side specific)
- 1 intermediate tube section
- 2 tailpipe section
- 2 ball/socket clamp assembly with hardware
- 2 medium screw for vacuum hose capping

**Installation notes:**

The AWE Tuning Straight Pipe System eliminates the use of the factory vacuum actuated muffler flaps. After disconnecting the vacuum lines from the factory muffler, cap them by inserting the supplied screws.

Before tightening, the ball/socket clamps allow the flex joint sections to be rotated for proper orientation.

Any questions or comments, please do not hesitate to contact us:

Thank you for choosing A.W.E. Tuning as your performance automotive parts supplier. Please remember that a performance car is only as strong as its weakest link. Therefore, it is vital that you maintain your vehicle to factory specifications.

**By installing or using the purchased product, the Consumer accepts this warranty and any specific Manufacturer warranties enclosed.**

### ***Limited Warranty***

The following warranty is valid only in the United States.

The Manufacturer's full warranty applies to all products sold.

Secor Ltd. (A.W.E. Tuning) warrants to the original retail purchaser (Consumer) this product (Carrera GT Straight Pipe System) against defects for LIFETIME.

Upon verification of warranty coverage, A.W.E. Tuning will repair or replace the defective product at their discretion, without charge. This is the only remedy the Consumer has for any loss or damage, however arising, due to nonconformity in or defect of the product. This warranty does not cover consequential damage, loss of time or revenues, inconvenience, loss of use of vehicle, damage to the vehicle or components, or other incidental or indirect damage.

All warranties are void if the product was not installed by a certified auto mechanic, improperly serviced, modified, or used in a way not intended by the Manufacturer. Use of product in Motorsports or Racing conditions is grounds for warranty denial. Motorsports and Racing is an inherently abusive operational condition, and it is impossible to warranty for this type of usage.

The Consumer is responsible for ensuring that the product is installed in a safe and proper manner, and should cease usage of the product immediately if an unsafe or improper condition is noted. If an unsafe or improper condition is noted, the Consumer should then immediately contact the facility where the product was installed or A.W.E. Tuning directly.

Please contact the original place of purchase for any warranty claims or explanations of this document.
