

AGE UK MERTON

PUTTERFINGERS MINI GOLF

BACKGROUND

At Putterfingers we offer a comprehensive range of mini golf equipment, such as putters, balls, scorecards, pencils and various other accessories. Additionally, we sell mini golf courses all over the UK for organisations and businesses, catering to both special events and everyday activities. Our goal is to be the ultimate destination for all things mini golf, supplying everything you need in one convenient place.

ABOUT THE ORGANISATION

AGE UK

Age UK Merton is a local branch of Age UK, a national charity organisation dedicated to improving the lives of older adults in the United Kingdom.

The organisation provides a wide range of services and support to older individuals, aiming to enhance their well-being, independence, and quality of life.

Through their dedicated team of staff and volunteers, Age UK Merton strives to ensure that older adults in the community are supported, empowered, and able to live fulfilling lives.

“

WHAT AGE UK WERE LOOKING FOR

We were looking for activities that got our older clients up and out of their chairs and moving around, The goal was to have them doing some gentle exercise without it being too strenuous. We have run little games during some of our sessions and have also run a sports day where it was very successful.

”

AGE UK COURSE SALE

After discussing their requirements with Age UK Merton, our team successfully recommended the most suitable course for their needs. Furthermore, we provided them with a variety of putters and balls in different sizes and colours to cater to their preferences.

“

The course is amazing and has been a lot of fun, It has met our expectations and more

”

WAYS AGE UK HAS USED THIER MINI GOLF COURSE

1

PERSONALISED BRANDING

At Putterfingers, we offer personalised course customisation to perfectly match your preferences. Our diverse selection of 5 different course sizes enables us to assist you in selecting the ideal fit. Moreover, we can design exclusive obstacles to enhance a unique and tailored experience for your guests. Alternatively, we can create custom bumper stickers and tee-off mats, just like Age UK did, to add a personal touch.

TO CONCLUDE

Age UK Merton highlights the compelling reasons why care homes and organisations for the elderly should consider investing in such an amenity.

The customised course purchased from Putterfingers not only meets the specific needs of Age UK Merton but also demonstrates the immense value it brings to the elderly community.

By offering an engaging and inclusive activity, a mini golf course becomes a valuable addition to any care home or organisation catering to the elderly.
