All church, reception and table work are quoted on an individual basis and a consultation with one of our highly skilled florists is required to determine your needs in order to provide you with a quote. In order to receive a quote, we ask that you visit us in-store at our Rocklea Showroom during business hours with some printed copies of your reference images that we may keep on file with your quote.

When coming in for a quote please bring the following information with you:

- Printed colour copies of your reference images we may keep with your file
- Date, Time and Venue Details
- Approximate Number of Guests
- Approximate Number of Reception/Table/Church Arrangements Required
- Any measurements that may assist us in quoting (ie: arbours, table lengths, chair widths)
- Please consider whether you will be providing own glassware/vessels for flora's and if doing so, please provide exact measurements and quantities

All wedding orders are taken with the best intention to supply you with the flowers you desire. However, given we are a wholesale marketplace, we reserve the right to substitute similar flowers should your first preference be unavailable. As flowers are a perishable product and subject to seasonal availability we do not guarantee any specific colours or varieties whatsoever.

Flowerlovers has a "pick-up only" policy with all wedding work (no deliveries, no exceptions). This is so that the bride, or a selected representative of the bride, sights and approves all wedding work before it leaves our premises. After wedding work has left Flowerlovers premises, we take no further responsibility for the work including but not limited to: condition of flowers, style of work, selected flowers.

If you have any other requirements, please don't hesitate to ask us for a detailed written quote. If you would like to confirm your wedding, we require 1/3 deposit to secure your date with balance payable on or before collection. Any cancellations within 14 days of date booked will forfeit the deposit paid. Any cancellations within 48 hours of date booked will require full balance payment of total package cost.

Please note prices are given as a guideline only and are subject to change due to flower selection and/or seasonal availability.
