

ThunderEase®

Cat Calming Pheromones

POWERED BY

FELIWAY®

PHEROMONES FOR A CALMER CAT

What is ThunderEase Powered by FELIWAY®?

Cats mark their territory by rubbing their face on things like furniture, plants, and even you. These pheromones help cats get to know their environment better as well as what is safe in their surroundings. This creates confidence in felines and ultimately helps them feel more stable in their home. ThunderEase powered by FELIWAY® mimics these pheromones for a drug-free, vet-recommended calming solution that puts an end to unwanted behaviors like scratching and spraying. ThunderEase is powered by FELIWAY®, the #1 Vet Recommended solution to help cats adjust to challenging situations and curb stress-related unwanted behaviors.

THUNDEREASE PLUG-IN & REFILL

Analogue of Feline Facial Pheromone2%
Isoparaffinic Hydrocarbon100g
Each 48 mL vial lasts up to 30 days.

IMPORTANT SAFETY INSTRUCTIONS

Read all the instructions before using the product. This is not a toy. Intended for adult use only.

When using electric products, basic precautions should always be followed, including the following:

To reduce the risk of injury, close supervision is necessary when a product is used near children. DO NOT put fingers, hands, metal or foreign objects in the product. There are NO user serviceable parts of this device. DO NOT attempt to refill the pheromone with liquids or substances. If the diffuser unit blocks the "TEST" or "RESET" buttons of a GFCI receptacle, it is recommended that the unit be removed from the outlet monthly and the GFCI be tested before plugging the electric diffuser back into the outlet. The internal parts of this device will get very hot to encourage evaporation of the active ingredient. DO NOT touch these surfaces during use. To avoid damage, DO NOT plug below any electrical device, under furniture, or under any prominent object from the wall. **MINIMUM CLEAR DISTANCE above diffuser = 4 ft (1.20m).** DO NOT disassemble diffuser unit or modify the plug in any way. DO NOT plug in sideways or upside down. DO NOT immerse in water. DO NOT cover or place under furniture. This may impair or block diffusion of the product and leave residual marks.

Replace the diffuser plug-in every 6 months. Use ONLY THUNDEREASE Refills.

ThunderWorks will not be held responsible for damage, injury or poor performance caused by use of any other refills in ThunderEase Diffusers.

SAVE THESE INSTRUCTIONS.

THUNDEREASE IS EFFECTIVE IN TREATING:

- Urine spraying
- Scratching
- Travel anxiety (vomiting, urinating, defecating, meowing, agitation, salivation)
- Stress when visiting the vet
- Anxiety when boarding
- Uneasiness in a new home or environment
- Stress caused by changes in the environment like new furniture or remodeling
- New pets in the home
- Recurrent feline idiopathic cystitis

Data on file. Backed by science! A variety of scientific, clinical studies published in respected journals or presented at conferences have demonstrated the efficacy of ThunderEase. Cat behavior is often complicated and all cats are unique, so results may vary. ThunderEase is only detected by cats and is appropriate for any age, from kittens to older cats. ThunderEase is NOT recommended for hyperactivity or aggression. For best results, use for a full 30 days. If additional behavior modification is needed, seek advice from your veterinarian or professional trainer. ThunderEase may be used in conjunction with medications or other treatments (like ThunderShirt!). ThunderEase is NOT a veterinary medicinal product. Consult your veterinarian if there are signs of disease.

Usage Instructions: Plug ThunderEase Calming Diffuser in the room in which your cat spends the most time.

Diffuser Power Light: When plugged into a functioning outlet, a light on the diffuser will indicate that the diffuser is receiving power. If the indicator light does not turn on, check to ensure the outlet is functioning properly by plugging a different working device into the outlet (e.g., a lamp). If the diffuser light still does not turn on, please contact ThunderWorks Customer Service at 866-892-2078.

Leave at least 4 ft. clearance around diffuser. Do NOT plug under or behind furniture or fixtures.

Always place with diffuser head ABOVE refill bottle, not sideways or upside down.

Diffuser does get hot. This is normal for proper evaporation.

Replace DIFFUSER HEAD every 6 months.

Use only in properly functioning 120-volt electrical outlet. DO NOT use with power strip, extension cords, or an adapter converter.

DANGER: HARMFUL OR FATAL IF SWALLOWED AND ENTERS AIRWAYS.

Contains petroleum distillates (i.e. Isoparaffinic Hydrocarbon).

KEEP OUT OF REACH OF CHILDREN.

- The danger is linked to the penetration of the liquid into the respiratory tract after ingestion and swallowing the wrong way.
- Read the label and insert prior to use.
- Store in well-ventilated area.
- Dispose of contents/container in hazardous or special waste collection point, in accordance with local regulation.
